

Maarel Orchids at Salon du Vegetal in Angers

This year for the first time, we are going to exhibit at the **Salon du Vegetal** from **21 – 23 February** in Angers. We are looking forward to exhibiting there and meeting our customers, hearing what they think of our collections, quality and service. You will find us at booth **Les Terrasses**, in the **Holland Pavilion number 645 W 652**.

During this fair we will present the **new small packaging for five Phalaenopsis in 12-cm pots**. We will also offer new concepts during this fair for Mother's Day. See you in Angers!
